

Hena Khan

Hena Khan is a Pakistani-American author for children and young adults from Rockville, MD. Hena is a frequent guest at schools, where she talks about her writing and her books, as well as about her experiences as an American Muslim.

In this interview, Hena Khan talks about her reading life as a child, her books for kids and young adults, why her school visits matter, and her reflections on growing up as an American Muslim today. You can also see more from Hena in our [Facebook Live interview \(/videos/facebook-live-series/hena-khan-writing-kids-and-teens-about-american-muslim-experiences-event\)](https://www.colorincolorado.org/videos/facebook-live-series/hena-khan-writing-kids-and-teens-about-american-muslim-experiences-event) with her!

ADVERTISEMENT

An advertisement for SCD (Specialized Clinical Development) featuring a white background with a black border. At the top, the letters 'SCD' are enclosed in a black box. Below this, the text reads 'Online live erleben' followed by 'Erlebe den SCD von zuhause, unterwegs oder im Büro. Sichere Dir jetzt Dein Online-Ticket!'. At the bottom, there is a black button with the white text 'Weitere Infos'. The advertisement is presented as a window with a close button in the top right corner.

An advertisement for 'share my lesson' featuring a red background. On the left is the AFT logo. To its right, the text 'share my lesson' is written in white, with 'share' in a smaller font and 'my lesson' in a larger font. Below this, 'PreK-12' is written in large, bold, white letters, followed by 'lessons & resources' in a smaller, bold, white font. At the bottom, the tagline 'By educators, by educators' is written in a white, italicized font.
