The newest adventure in the bestselling Unicorn Rescue Society transports readers to the Himalayan

mountains in Northern Pakistan!

When Uchenna and Elliot’s classmate publishes an article in the school newspaper about the Schmoke Brothers, Professor Fauna notices something alarming in a photo. Mounted on the wall of the Schmoke’s living room is a single spiral horn that he’s certain could have come from only one animal—a unicorn! To save these magical creatures—and to finally see a unicorn themselves—the Unicorn Rescue Society heads to the rugged mountains of Pakistan.
