NUMERACY

Unit 1 – Place value within 100, 000

This unit provides the foundation for working with numbers up to 100,000 and develops fluency with place value to support calculating during the year.

Unit 2 – Place value within 1,000,000

This unit builds on previous experience of comparing, ordering and rounding numbers from Unit 1. This unit provides preparation for using place value grids to add and subtract 5-digit numbers.

Unit 3 – Addition & Subtraction

This unit will extend their knowledge of addition and subtraction using formal methods for numbers with up to 5 digits. It will give children the opportunity to build confidence with problem solving and to explore efficient methods for addition and subtraction calculations, including those that can be solved mentally.

HALF TERM PARENT PLAN
September - October 2022

Assalaamualaikum Wa Rahmatullaahi Wa Barakatuh

I would like to inform you of the different topics we hope to cover in class over the next few weeks. It would be of great benefit to your child's progress if you provided help and support in these areas.

Wassalaam
